News Alert: Today, the U.S. Environmental Protection Agency (EPA) Administrator Andrew Wheeler and Department of the Army Assistant Secretary of the Army for Civil Works R.D. James announced that the agencies are repealing a 2015 rule that impermissibly expanded the definition of "waters of the United States" (WOTUS) under the Clean Water Act. The agencies are also recodifying the longstanding and familiar regulatory text that existed prior to the 2015 Rule—ending a regulatory patchwork that required implementing two competing Clean Water Act regulations
