

## NMC is doing our part to slow the spread of the coronavirus:

- In support of the state's request to limit gatherings, NMC is cancelling all non-essential in person meetings and/or trainings scheduled through April 9, 2020
- NMC employees who consider themselves to be high risk for contracting and experiencing complications from the coronavirus are authorized to work from home
- NMC has upped our hygiene game in the office and asked staff to help wipe down frequently touched surfaces

## What counties and employees should be doing:

- **Wash** your hands with soap & water for 20 seconds. It's not sexy, but it works.
- **Educate** your employees about the virus
- **Clean & Disinfect** "high-touch" surfaces daily—phones, tablets, keyboards, tables, desks, door-knobs, light switches, countertops, handles, toilets, faucets, sinks, copy machines
- **Supply** employees with plenty of tissues, soap, disinfectant wipes
- **Avoid all non-essential travel**
- **Avoid large public gatherings**, particularly if you are a high-risk individual
- **High risk** — 60+ or those w/severe chronic medical conditions—heart, lung, kidney, diabetes, or compromised immune systems
- **Remain home ("self-isolate") if you are sick** and call the Dept. of Health at 1-855-600-3453 if you are exhibiting any of the symptoms of COVID-19. \*Those symptoms include fever(100.4+), cough, or trouble breathing; **Telecommute** if available
