

"This is a transformational leadership program that has proven to be the most scalable, cost effective, and efficient way to make your leaders better."
-General Colin Powell

Great News from NACo! The [NACo High Performance Leadership Academy](#) will be offering a new set of scholarships for county members. For any county that hasn't participated their first enrollee will be **FREE!** Plus, the next two enrollees would be able to participate for the cost of one enrollee (2 for 1 @ \$1,695). Counties have the option to enroll just one county member and take advantage of the program *at no cost*. That's excellent!

This is an online, 12-week program to empower frontline county government professionals with fundamental results-oriented leadership skills. With a robust curriculum developed by world leaders including General Powell, the focus is on five practical skills: LEAD, ORGANIZE, COLLABORATE, COMMUNICATE, and DELIVER.
