

Special Legislative Session June 18, 2020 The Legislative Finance Committee met this week to consider the actions (or “sanding”) to propose for the state budget special session:

- Expect FY20 general fund revenue to fall about \$375 million below forecast
- Expect FY21 general fund revenue to fall \$1.98 billion below the December forecast
- Draw reserves to 12% ending FY21
- Cut a portion of 2020 special appropriations; switch some general fund \$\$ to debt financing
- Pare back/eliminate new general fund initiatives not sustainable in FY22
- Reduce the 4% across the board pay increase—leaving enough to cover higher benefit costs
- Sand most FY21 general fund appropriations 2% to 4% with smaller reductions for schools, health, and Medicaid
- Use Federal Funds, especially the \$1.25 billion stimulus fund, to temporarily reduce general fund spending ~The Senate’s intent is to have a very short session of 1-2 days.

NMC Vice President Bernalillo County Clerk Linda Stover earned a 2020 NACo Achievement Award for About My County Activity Book! It’s designed to introduce elementary school students to their own county government. Clerk Stover has lead the county’s outreach with a book tour through the schools. The award honors innovative, effective county government programs that strengthen services for residents. Congratulations Linda!

San Juan County earned a 2020 NACo Achievement Award for Clean Up San Juan! The GIS department along with the solid waste management and other local agencies, addressed the issue of illegal dumping on public lands: a phone app for reporting, web map app for cleanup crew, online operations dashboard, and volunteer cleanup program. Congratulations San Juan County GIS Manager Sherice Snell!
