## An Invitation to Potential Business Partners

Dear Potential 2020–2021 Business Partner:

New Mexico Counties (NMC) is a non-profit, nonpartisan professional association serving all 33 counties in New Mexico. Our membership includes over 10,000 county elected officials and professional staff. NMC's mission is to strengthen New Mexico counties' ability to govern their own affairs and to improve the well-being and quality of life of their constituents. This year, we are celebrating our 85th year as an advocate for New Mexico's diverse county governments.

The roles and responsibilities of county governments are continually expanding and it is necessary for them to seek out options for new and improved services. County governments are also continuously searching for technological advancements to increase efficiencies and transparency. Building relationships and brand exposure is especially important as we adapt to a new virtual landscape.

As an NMC Business Partner, depending on the level selected, your organization may enjoy the following benefits:

- Networking with NMC Board of Directors, County Elected Officials and Professional Staff
- Visibility in NMC Publications Including the NMC Weekly News Brief, NMC Social Media, NMC Virtual Meeting Platforms, and the NMC Website
- Advance Notice of NMC Conference Sponsorship and Exhibitor Opportunities
- NMC Member Only Sponsorship Opportunities For Statewide Meetings Retreats and Virtual Events
- Individual Registration Option at NMC Conferences (*This is not an option to Non-Business Partners*)
- Discounted Exhibitor Pricing and Preferred Exhibit Booth Placement at all NMC Conferences
- Business Listing or Advertisement in NMC Conference Programs and Mobile App
- Invitation to Special Events (*See levels for details*)

Thank you for your interest in partnering with NMC and its members. If you have questions regarding the Business Partner Program, please contact NMC Meetings Coordinator Talia Storch for more information at (505) 820-8101 or [tstorch@nmcounties.org](mailto:tstorch@nmcounties.org). ## New Mexico Counties

In 1936, New Mexico counties met to address their concerns and collaborate on initiatives. In 1968, the New Mexico Association of Counties, now New Mexico Counties (NMC), was officially incorporated and has served as a statewide voice for all 33 counties in New Mexico ever since. NMC is a nonpartisan nonprofit organization governed by a board of New Mexico county elected officials. Its mission is to serve as a statewide voice for all counties in New Mexico. It provides counties with legislative representation, research, training and assistance in improving the administration and financing of county government.
