

NM Counties Shines on Agriculture and Rural Counties! We explore the agricultural community of Union County with County Commission Chair Justin Bennett in the final 6th video of phase one of the #33StrongNMCounties video campaign. The Union County community depends on the county road department services to maintain its 1,200 miles of county roads to keep its agriculture industry running and operating. Not a single road is paved! This is the last video of

6 to engage our communities with what counties do for their constituents. Please continue to share and rotate through all of these videos with your employees, during county commission meetings, and among your communities. NMC is working on phase two so stay tuned! #33StrongNMCounties Link to [FB Watch Videos](#) for all 6 videos.
