

IMPLEMENTING INFRASTRUCTURE INVESTMENTS AT THE COUNTY LEVEL

THE BIPARTISAN INFRASTRUCTURE LAW
(P.L. 117-58)

NACo Resources for Finding Bipartisan Infrastructure Law (BIL) Funding

The National Association of Counties has developed a number of resources to assist counties in finding out where funding is available through the Bipartisan Infrastructure Law. NACo has developed an easy [BIL Funding Summary](#) of all the different programs where counties can find funding as well as a [BIL Executive Summary](#) that talks about the overall federal infusion of funding. The resources include a very helpful [BIL Matrix](#) that breaks down all of the federal funding streams, deadlines for application, upcoming opportunities, etc.

Counties are encouraged to visit the website regularly to see the opportunities available to meet their important infrastructure needs.

A crisis response framework created by the Substance Abuse and Mental Health Services Administration (SAMHSA) recommends communities build infrastructure that provides **someone to talk to (crisis lines), someone to respond (mobile crisis teams) and somewhere to go (crisis triage centers).**

NACo Report: Promoting Health and Safety Through a Behavioral Health Continuum of Care (PDF)

The brief highlights policies, programs, and practices counties are implementing to support community members before, during, and after a behavioral health emergency.

Envisioning a new way to respond to mental health crises through 988 legislation

On July 16, the 988-dialing code will replace the current 10-digit number for the National Suicide Prevention Lifeline, and building this new system will require sustained investment at the federal, state, and local levels.
