San Juan County - Farmington  
June 12, 2023-June 16, 2023

Counties Directly Eligible for \$700 Million in FY 2023 [USDOT Electric Vehicle Charging Grants](#) until **May 30, 2023**. Grants can be used to deploy EV chargers and hydrogen, propane, and natural gas fueling infrastructure. Generally, the federal share is 80%. A county contracting with a private entity must include a condition requiring that entity to cover the **20% local match**.

The State of New Mexico, through DFA and NMDOT, has funding to cover the required **20% local match** for the Charging and Fueling Infrastructure (CFI) Discretionary Grant Program; however, final availability of state matching funds will depend on the total number and projected costs of all statewide projects. **Deadline: Fri Apr 28 Letter of Interest Form**  
**Deadline: Fri May 5 Criteria CFI Data Request**
