

The National Association of Counties (NACo) is known as the Voice of America's 3,069 counties. New Mexico Counties is a 100% state with all 33 counties as members. Because of that, NMC receives two seats on the NACo Board. NACo is a wonderful resource for advocacy at the federal level, working closely with Congress. We encourage all of our county members to participate in NACo

conferences and consider joining a NACo [steering committee](#) to be part of the conversation on a topic of your interest or expertise. (Must contact Aelysea Webb, [awebb@nmcounties.org](mailto:awebb@nmcounties.org) to be nominated for a committee.) As a member, you have access to free webinars and conferences specific to county governments. NACo hosts its legislative conference in Feb/March in D.C., it's annual conference in July (rotating around the country), and the Western Interstate Region (WIR) conference in May for 15 western states. For those attending the NACo Annual Conference in Travis County, Austin, TX, next week, [here](#) is the schedule of events. Please visit NACo's website for more resources: [www.naco.org](http://www.naco.org).
