NEW MEXICO

A stylized, pixelated landscape within a circular frame. It features brown mountains, a large brown sun, green trees, and a teal body of water.

New Mexico Youth Conservation Corps

2006 to 2023

New Mexico Energy, Minerals and Natural Resources Department

Mission

Promote the education, success and well-being of the youth of New Mexico through the conservation and enhancement of the state's natural resources and lasting community benefits.

The Youth Conservation Corps (YCC) was created in 1992 to provide a process to employ the youth in public projects. Participants learn employment skills, work ethics, as well as self-discipline and self-esteem.
