88th Annual Conference

Curry County - Clovis, New Mexico

June 16, 2025 - June 19, 2025

WELCOME

Dear County Members, Partners, and Friends,

It is with great pride and excitement that we welcome you to the 2025 Annual Conference, hosted in beautiful Curry County! As Board President and a proud Curry County resident, it is exciting to host this year's gathering in my corner of eastern New Mexico. While our county may be rural, we are rich in culture, strong in community spirit, and known for our warm hospitality—making this the perfect setting for a week focused on connection, collaboration, and celebration.

This year's conference features a robust agenda designed to engage, inform, and inspire. From affiliate meetings aimed at shaping our 2026 legislative priorities to thought-provoking sessions and dynamic networking opportunities, every element of the week is crafted to support your work and strengthen our collective impact. Whether you're reconnecting with colleagues or meeting new ones, we hope these conversations spark fresh ideas and lasting partnerships.

Be sure to take advantage of the special events planned throughout the week! The host county event will showcase the unique flavor and spirit of Curry County, and the spouse tours will highlight some of our most beloved local sites and hidden gems. For those seeking a little friendly competition, both the golf tournament and the ROADEO promise to be fun and memorable. We're also excited to welcome our keynote speaker and magician, Fred Lee, whose performance is sure to entertain and inspire.

We encourage you to visit with our Business Partners, sponsors, and exhibitors throughout the conference. Their innovative services and steadfast support play a vital role in helping counties across New Mexico thrive, and their partnership is a cornerstone of this event's success.

Thank you for being part of this important annual tradition. We are honored to host and serve you, and we hope you leave Curry County feeling connected, celebrated, and inspired for the road ahead.

Warmest regards,

Annie Hogland
NMC President &
Curry County Clerk

Joy Esparsen
NMC Executive Director

INFORMATION

NMC Meetings & Events Policy

Individuals may not engage in political activities or distribute campaign literature at NMC sponsored meetings or events. Literature will be removed and those who continue to violate this policy may be asked to leave the event. Hospitality suites of any kind are **not** allowed at NMC conferences or meetings, whether in a private room or public area.

Name Badges

Conference participants must wear their name badge to all meetings and events.

Drink Tickets

Drink tickets will be distributed to attendees at the registration desk and are only valid at the specific event and date identified on the ticket.

Guest Tickets

Attendee guest tickets are \$30/event (credits card only) at the registration desk or at the event door. A limited number of event tickets may be offered based on space availability.

Consumption of Alcohol

NMC requests that all attendees and guests adhere to the "Alcohol Consumption Policy" of the NMC Conference Meetings Policies.. Alcohol shall be consumed in a responsible manner. NMC encourages individuals to use designated drivers or for-hire transportation when drinking. NMC provides transportation to and from all events that serve alcohol. The vendor of alcoholic beverages at our events reserves the right and has the responsibility to refuse service when appropriate.

COMCAST

PFAS Liability & Cost Recovery: What Counties Need to Know Now

Clovis Civic Center
Tuesday, June 17
3:15 p.m. – 4:30 p.m.

Stephen J. Acquario, Esq.
Executive Director
NY State Association

Per- and polyfluoroalkyl substances commonly known as PFAS or forever chemicals have been detected in water, soil, farm land, and air across the country, including in many parts of NM. Municipalities and counties face growing legal, financial, and environmental risks tied to PFAS contamination, often originating from firefighting foams, landfills, airports, wastewater treatment plants, and other public infrastructure. This workshop will inform attendees on federal and national litigation developments and cost recovery opportunities available to local governments.

Learn about:

- The current regulatory landscape for PFAS, including pending EPA rules;
- How PFAS is typically introduced into municipal systems and the risks that may follow;
- Emerging litigation and settlement frameworks that allow counties to recover cleanup and monitoring costs;
- What steps counties should take now to assess exposure and preserve their legal rights.

NM Senator Michael Padilla, District 14

Senator Padilla has served in the legislature since 2013 and is a consistent champion for broadband, public education, economic development, public safety, and infrastructure. He hosts an annual job fair for his community that has resulted in more than 9,000 people finding employment since 2013. Senator Padilla serves on the Senate Finance Committee and is the Majority Whip.

NM Representative Alan Martinez, District 23

Representative Martinez is a champion for his community, with a passion for serving our veterans. He worked for the New Mexico Department of Veterans Services before embarking on his career in the state legislature. Rep. Martinez serves on the Judiciary, and Health and Human Services Committees and is the Republican Whip.

SYNCRONYS

Better Data. Better Health.

SYNCRONYS is New Mexico's designated Health Information Exchange (HIE), a not-for-profit organization supporting healthcare providers, hospitals, state agencies and managed care organizations to improve health outcomes for all New Mexicans.

- **SYNCRONYS's aggregated health data illuminates gaps in service**, allowing the development and implementation of programs supporting individual populations and areas of the state.
- **SYNCRONYS supports priority programs** and initiatives in New Mexico, including behavioral health, substance use disorder, prenatal health care, Hepatitis C treatment, and advances in care coordination.
- **SYNCRONYS benefits the medical community** through improved quality of care, cost reduction and optimal efficiency by...
 - Providing a complete picture of a patient's health history, allowing for a more accurate diagnosis, and potential health risks identified at the point of care
 - Reducing cost, time, and resources spent on redundant tests
 - Analyzing aggregated population health data, enabling health care providers and public health officials at the state, county and local levels to identify trends, target interventions, and monitor disease outbreaks.

SYNCRONYS plays a significant role in modern healthcare, enabling secure medical information sharing for improved quality of care, enhanced patient safety, and more efficient healthcare delivery. **Through the power of innovation and technology SYNCRONYS supports improved health equity for all populations.**

JUNE 2026

YOUR COUNTY. YOUR MESSAGE. OUR SCREENS.

Mobile LED Messaging for Civic Impact

When every second counts and every citizen matters, **Ambitions Mobile Media** delivers with precision and presence.

Our mobile LED screens bring your message directly to the people—whether you're managing a crisis, celebrating your community, or hiring tomorrow's workforce.

With bold visuals and real-time reach, **Ambitions Mobile Media** helps government leaders engage, inform, and connect, wherever the moment calls.

Community Events

Amplify festivals, parades, and public gatherings with vibrant visuals that inform and excite.

Public Relations Campaigns

Promote civic programs, initiatives, and public safety announcements.

Emergency Messaging

Deploy critical updates, evacuations, or weather alerts in real time, exactly where they're needed.

Hiring and Recruitment Drives

Highlight job openings, job fairs, and workforce campaigns in high-traffic areas.
